

To: ETSI MEMBERS, OBSERVERS AND COUNSELLORS

Subject: Preferential ETSI conditions for accommodation and other services in the Sophia Antipolis area, edition 2003

Dear Madam,
Dear Sir,

Each year, ETSI negotiates preferential rates for your benefit, when visiting the ETSI premises.

Please find the 2003 update of the list of hotels, residences, car rentals, taxis and relocation services, that you can also access via the ETSI web at <http://docbox.etsi.org/meetings/docs/hotels.pdf>.

The offered services are located in Sophia Antipolis-Valbonne, Antibes, Juan les Pins, Golfe Juan, Nice, Cannes and Mandelieu-la-Napoule.

To simplify your search, hotels, residences, car rentals, taxis and relocation services have been separated into specific sections. At the end of this document, you will be able to make electronic reservations by using the corresponding forms provided.

We would be grateful if you could complete the "Services evaluation Form" so that we can maintain the highest level of quality for these services.

Please note:

- reservations must be made in your own name directly with the establishment of your choice;
- the current rates may be subject to change;
- the ETSI Secretariat cannot make reservations on your behalf and cannot be held responsible for any cancellations or no show.

Yours faithfully,

K. H. Rosenbrock
Director General

- **Fill in** the "Hotel confirmation form" with the associated form in Word version to be completed directly on your PC and fax it to the hotel. You can also use the e-mail addresses provided that the ETSI reservation form is attached.
- When booking please check that the room rates correspond to those agreed upon by ETSI for the current year and reported in the attached list.

- **Call** the hotel, **24 hours in advance to confirm the cancellation** and keep your cancellation registration number.

NOTE: Please note that the ETSI Secretariat is not able to make reservations for you and cannot be held responsible for any cancellations or "no show".

Sophia Antipolis area has been developed with a high regard for the local environment. This means that there are plenty of trees and flowers but no pavements and on rainy days, journeys from the local hotels to ETSI s' buildings can be rather uncomfortable for walkers.
